GAIN NEW OPPORTUNITIES IN INFORMATION TECHNOLOGY

Technology is evolving at a rapid rate and impacting nearly every industry across the world. The Bachelor of Science in Information Technology (BSIT) degree is designed for individuals in the IT industry. You will build a solid foundation in essential IT concepts including project management, programming, databases and software development. This degree is a 120-credit program, where various professional certifications may satisfy some or all of the degree's information technology elective requirements.

PROGRAM ADVANTAGES

- ▸ Program can be completed entirely online
- ▸ The Bachelor's to Master's Program in information technology enables students to earn 12 graduate credits (at the undergraduate rate) that can apply to both their bachelor's and a master's degree
- ▸ Nuclear Regulatory Commission (NRC) Scholarship eligible program; scholarships averaging $2,500 to qualified students based on need and academic performance. The maximum scholarship award is $10,000

BUILDING CAREERS | ADVANCING PROFESSIONS | EMPOWERING LIVES

WHY CHOOSE TESU?

As one of the first schools in the country designed specifically for busy, motivated adults, Thomas Edison State University is dedicated to providing you with a high-quality education – anytime, anywhere.

- ▸ **Exceptional Value:** Competitive tuition and fees. Plus, financial aid and scholarships are available.
- ▸ **Transfer Credits:** TESU accepts up to 90 transfer credits from a regionally accredited institution.
- ▸ **Monthly Start Dates:** Start your studies when it's convenient for you – a new term begins each month.
- ▸ **Degree Flexibility:** Engage in your courses whatever time of day works for you. Courses are available 24/7.

ONLINE. ACCREDITED. RESPECTED.

Three words that characterize Thomas Edison State University's (TESU) unique approach to providing quality higher education in today's technology-fueled times.

Dedicated to educating adult learners for more than five decades, TESU has set the standard in online learning. TESU is accredited by the Middle States Commission on Higher Education and is recognized as the leader in online education as well as a national leader in the assessment of adult learning.

Our innovative online and independent study courses and credit-by-exam programs give you the flexibility to pursue your degree when and where it is convenient for you. With more than 100 areas of study, TESU offers associate, bachelor's, master's and doctoral degrees and undergraduate and graduate certificates. One of New Jersey's senior public institutions, TESU's liberal credit transfer policies and tuition models remove barriers for adults pursuing higher education. Our resume-relevant programs provide career-building skills to help you meet your educational and professional goals.
