DEEPEN YOUR IMPACT ON THE HEALTHCARE COMMUNITY

The Bachelor of Science in Nursing (BSN) degree program is designed for registered nurses (RN) who want a quality education with the convenience and flexibility of an online program.

With many credit-earning options, you can achieve your educational goals in a manner that saves you time and money. The program builds on your prior education and experience awarding up to 90 community college credits in transfer. The curriculum builds knowledge in a wide array of areas, including leadership in nursing, advanced health assessment and health policy. You also work on your Master of Science in Nursing (MSN) while completing your BSN.

The program's unique format enables students to apply up to 12 credits toward the MSN degree*.

*Only 9 credits will transfer into the MSN Nurse Educator area of specialty.
